

HAVANT NEIGHBOURHOOD WATCH ASSOCIATION

NEWSLETTER

A newsletter was promised at the AGM in February 2009, and we apologise for not producing it yet and reassure you we will, as soon as we can.

No excuses, but our very small, and entirely voluntary Committee, has struggled to meet all the commitments made and we have to prioritise where we work on your behalf (see below).

If your personal commitments allow, we welcome offers from Sector or Scheme Co-ordinators for selection to join the committee.

Please leave a message on the answer-phone (023 9289 9061) if you can help a busy group of volunteers on the Committee.

We work in:

Bedhampton
Emsworth
Finchdean
Havant
Hayling Island
Leigh Park
Rowlands Castle
Warren Park
West Leigh

The Havant Neighbourhood Watch Association
is supported by
Havant Borough Council and Hampshire Constabulary
